Dear Family Child Care Provider:

Thank you for your participation in the Child and Adult Care Food Program (CACFP).

If you are a provider living in a Tier 2 area (lower reimbursement rates), it may be possible for you to receive Tier 1 (higher) rates for the Program meals you serve and to receive reimbursement for Program meals served to your own children under 13 years of age.

If you live in a Tier 1 area and receive the higher rates, it may be possible for you to receive reimbursement for Program meals served to your own children under 13 years of age.

Please read the enclosed "Instructions for Completing CACFP Provider Household Income Statement". If you believe your family would qualify because you already participate in a qualifying program (Supplemental Assistance Nutrition Program (SNAP), Minnesota Family Investment Program (MFIP), or Food Distribution Programs on Indian Reservations (FDPIR), or because your household income is at or below the amounts listed, complete and return to Adults & Childrens Alliance (ACA) a "Provider Household Income Statement".

Income Statements become effective no earlier than the first of the month in which all required information is received and approved by our office. For example, if your information is received and approved in our office June 3rd, June 1st is the earliest you could begin receiving Tier 1 rates.

If your household participates in SNAP, MFIP or FDPIR, you should complete sections 1, 2 and 4 on the Program Household Income Statement. Please note, Medical Assistance is not a qualifying program.

Send to our office your completed Provider Household Income Statement along with the following documentation:

- SNAP, MFIP, or FDPIR certification notice showing the beginning and ending dates of the certification period;
- Letter from SNAP or the Minnesota Department of Human Services saying you now receives SNAP or MFIP;
- Letter from the Tribal Office stating you now receive benefits from FDPIR.

If your household income will allow you to receive Tier 1 rates and/or to claim mea reimbursement for your own children's meals, complete sections 1, 3, and 4 of the Provider Household Income Statement.

If you live in a Tier 1 area and are applying to claim meals for your own children, the completed Provider Household Income Statement is all you need to send to our office.

If you live in a Tier 2 area and are applying to receive Tier 1 rates you will also need to send in the following documentation:

- Last year's income tax statement/forms IRS 1040 including Schedule C and Schedule 8829 (home use);
- A copy of the previous month's pay stubs for each wage earner in your household. Frequency of pay must be shown on the pay stubs. If pay stubs are not available a completed Income Employer Documentation Form is needed.

If last year's taxes are not an accurate reflection of your current income (e.g. you did not day care last year, your got married, your spouse got a new job) you will need to send the following additional documentation to our office:

- A completed Tier 1 Verification Documentation Worksheet based on the prior month's income and expenses;
- **All documentation** to support the numbers you list on the Tier 1 Verification Documentation Worksheet (e.g. receipts, mortgage statements, bills, invoices).
